

GQCCC Quilts to Share

QTS Chair: Laura Mott

Information About Quilts

If you have any questions, please contact any of the PQ team above.

Handy Size Guide

Crib size: 40 x 54, 42 x 59, 44 x 56

Twin size: 71 x 88, 68 x 86, 66 x 90

Preemie size: 36 x (36 - 40 - 42) again, this depends on block or pattern.

Receiving blankets - flannel only, sizes 35" sq. or 42"sq. No smaller than 35" and no larger than 42" please. These can be a single piece just surged around the edges if you wish.

Preemie quilts - the small quilts help support and comfort the babies when being held by their parents. Each quilt stays with the baby and many parents keep the quilts as a keepsake. Throughout this year, we would encourage everyone to remember these precious babies.

We welcome suggestions for distribution of all items. We donate to those within our Contra Costa County. Contact Chair Laura Mott with any questions.

Pillowcases WOW! Aren't they just so fun! They are totally addicting. Don't forget to bring those pillowcase kits back next month and pick up a few more. Below is a link to a YouTube video that shows how to make a "sausage" pillowcase. It's so easy and everything ends up neat and clean!
