Go Big or Go Home

Available at the March 21st, 2016 meeting Blocks due at April meeting

This month's block is an adaptation from the Go Big or Go Home quilt from *By the Block: 18 Surprisingly Simple Quilts* by Siobhan Rogers. This block makes use of extremely over sized half square triangles. The finished block is about 24" x 24".

What you'll need: (2) 12.5" squares of Kona White and (2) 12.5" squares of a print of your choice.

To make:

1. Sew the white squares to the print squares to make 4 HST's.
2. After you have your HST's, trim the pointy bits from the corners.
3. Assemble so your layout matches the block in the picture.
