For this block use a white background, a dark red and a medium red for the heart.

From the white background fabric:

- Cut 3 4 ½" squares
- Cut 5 4 ½" x 2 ½" rectangles
- Cut 1 2 ½" square

From both medium and dark red fabrics:

- Cut 1 4 ⅞" square (then cut diagonally for center half square triangle)
- Cut 1 2 ⅞" square (then cut diagonally for tip of heart half square triangle)
- Cut 2 4 ½" x 2 ½" rectangles
- Cut 1 2 ½" square (lay each of these on one of the light background 4 ½" squares, right sides together, mark diagonal

Line on the red square and sew on that line. Press to dark and trim excess.)

Refer to the photo above for aid in piecing. This block should measure 12 ½” unfinished.
